**199—44.3(17A,476,82GA,SF554) Certificate of franchise authority.** As provided in 2007 Iowa Acts, Senate File 554, section 3, after July 1, 2007, a person shall not provide cable service or video service in Iowa without a franchise. The franchise may be issued by either the board pursuant to this chapter or by a municipality pursuant to Iowa Code section 364.2.

**44.3(1) Existing franchise agreements.** A person providing cable service or video service pursuant to a franchise agreement with a municipality in effect before July 1, 2007, is not subject to the requirement to obtain a franchise with respect to such municipality until the franchise agreement expires or, in the case of an incumbent cable provider, until the franchise is converted to a certificate of franchise authority issued by the board. Upon expiration of a franchise, a person may choose to renegotiate a franchise agreement with a municipality or may apply for a certificate of franchise authority from the board.

**44.3(2) Municipal utilities.** A municipal utility that provides cable service or video service in Iowa is not required to obtain a certificate of franchise authority in the municipality in which the provision of cable service or video service by the municipality was originally approved.

**44.3(3) Initial application.** Within 15 business days after receiving an application and affidavit from an applicant using a form developed by and available from the board, the board shall issue a certificate of franchise authority or notify the applicant that the application is incomplete. The application must be signed by an officer or general partner of the applicant and shall provide the following information:

*a.* A statement that the applicant has filed or will timely file with the Federal Communications Commission (FCC) all forms required by the FCC in advance of offering cable service or video service in Iowa;

*b.* A statement that the applicant agrees to comply with all applicable federal and state statutes, regulations, and rules;

*c.* A statement that the applicant agrees to comply with all applicable state laws and nondiscriminatory municipal ordinances and regulations regarding the use and occupation of a public right-of-way in the delivery of the cable service or video service, including the police powers of the municipalities in which the service is delivered;

*d.* A description of the service area to be served and the municipalities to be served by the applicant, including descriptions of unincorporated areas, if applicable;

*e.* The address of the applicant's principal place of business and the names and titles of the applicant's principal executive officers with direct authority over and responsibility for the applicant's cable or video operations; and

*f.* The telephone number for customer service contact.

The service area description must be sufficiently detailed to enable the board to ascertain the boundaries of the applicant's proposed service area. Applicants certificated by the board as local exchange carriers pursuant to Iowa Code section 476.29 may choose to refer to descriptions (including maps) of local exchange service areas on file with the board.

**44.3(4) Content of certificate.** A certificate of franchise authority issued by the board shall contain all of the following:

*a.* A grant of authority to provide cable service or video service in the service area designated in the application;

*b.* A grant of authority to use and occupy the public right-of-way in the delivery of cable service or video service, subject to the laws of Iowa, including the police powers of the municipalities in which the service is delivered;

*c.* A statement that the grant of authority provided by the certificate is subject to the lawful operation of the cable service or video service by the applicant or the applicant's successor; and

*d.* A statement that the franchise is for a term of ten years, is renewable, and is nonexclusive.

**44.3(5) *Modification of service area.*** At least 14 days before expanding cable service or video service to a previously undesignated service area or making any other change to its previously designated service area, the holder of a certificate of franchise authority shall update the description of its service area on file with the board and shall notify the board upon expansion or other change in service area using a form developed by and available from the board.

**44.3(6) *Transfer of certificate of franchise authority.*** The holder of a certificate of franchise authority may transfer the certificate to any successor by filing a notice of transfer with the board and each affected municipality using a form developed by and available from the board. The notice of transfer shall include the address of the successor's principal place of business and the names and titles of the successor's principal executive officers with direct authority over and responsibility for the successor's cable or video operations. A notice of transfer shall be effective on the date which is the later of (1) 14 business days after the date of filing of the notice of transfer with the board or (2) the effective date of transfer as designated by the certificate holder, provided such date is not less than 14 business days after the date the notice of transfer is filed with the board, unless the certificate holder files a notice of rescheduling of the transfer and provides a copy of such notice to each affected municipality. As of the effective date of the transfer, the successor shall assume all regulatory rights and responsibilities of the holder of the certificate.

**44.3(7) *Termination of certificate of franchise authority.*** The holder of a certificate of franchise authority may terminate the certificate by providing written notice of termination to the board and to each affected municipality using a form developed by and available from the board.

**44.3(8) *Updates.*** The holder of a certificate of franchise authority shall notify the board of any change in the name of the entity holding the certificate, contact personnel, principal executive officers, address of principal place of business, telephone number, and customer service contact information by sending a letter to the board specifying the change and certificate number. The notice shall be provided within 14 days after the effective date of the change.

**199—44.4(17A,476,82GA,SF554) Notice to municipality and incumbent cable provider.** A competitive service provider shall notify affected municipalities and incumbent cable providers of its plan to offer service as provided in this rule.

**44.4(1)** At least 30 days before providing service in any part of a competitive cable or video service provider's certificated service area in which the provider has not yet offered service pursuant to a board-issued certificate of franchise authority, a competitive cable service provider or competitive video service provider shall notify each municipality with authority to grant a franchise in the part of the competitive provider's service area to be served and the incumbent cable provider in that area that the competitive provider will provide service within the jurisdiction of the municipality and when such service will begin. A competitive cable service provider or competitive video service provider shall not provide service without having provided the notice required by this rule.

**44.4(2)** The competitive cable service provider or competitive video service provider shall file a copy of the notice required by this rule with the board.

**44.4(3)** If the competitive cable service provider or competitive video service provider determines that its entry into the market will be delayed, no further notice will be required unless market entry is delayed for more than 30 days after the date service was expected to begin.

**199—44.5(17A,476,82GA,SF554) Conversion of municipal franchise by incumbent cable provider.** If a competitive cable service provider or a competitive video service provider applies for a certificate of franchise authority to operate within a municipality, the incumbent cable provider in that municipality may apply for a certificate of franchise authority for that same municipality using an application form developed by the board and providing the information required in 44.3(3). The board shall automatically grant the incumbent's application, if complete, effective on the same day a competitive cable service provider or competitive video service provider files the 30 days' notice of offering service as required pursuant to 44.4(17A,476,82GA,SF554) if the incumbent cable provider files its application within 30 days of the day the competitive service provider provides the 30 days' notice. If the incumbent cable provider files its application more than 30 days after the date the competitive service provider provides the 30 days' notice, the board shall grant the incumbent's application, if complete, to be effective on the date the application is filed with the board.

**199—44.6(17A,476,82GA,SF554) Filing fees.** Each applicant shall submit one or more of the following fees, as applicable:

1. A filing fee of \$100 with an initial application; and
2. A filing fee of \$50 with a notice of modification or transfer; and
3. A filing fee of \$25 with a notice of termination.

These rules are intended to implement Iowa Code sections 17A.4 and 476.10 and 2007 Iowa Acts, Senate File 554.
